

HTML/CSS Code Submission:

1. Code the sample website design provided in the attached image using HTML and CSS.
2. Ensure that your code is well-structured, commented, and adheres to best practices.
3. Save your HTML and CSS files in a folder named "WebDev_Internship_Preview_[YourName]".
4. Compress the folder into a ZIP file.

General Questions Response:

1. Answer the general questions provided in the pre-work email.
2. Compile your responses into a single document (PDF or Word format).
3. Name the document "WebDev_Internship_Preview_Responses_[YourName]".

Submission:

1. Email your completed pre-work to [Your Contact Email] by 12th Feb 2024.
2. In the subject line of your email, include "Quillnext Web Development Internship Pre-Work Submission".
3. Attach the ZIP file containing your HTML/CSS code and the document with your general question responses.
